

The Parish Paper Delivery Preference Questionnaire

Changes in the Wings for The Parish Paper

Plans are in motion to make *The Parish Paper* available via email in January 2010. This means you will have a choice of how you receive the church newsletter. You will be able to continue receiving *The Parish Paper* by mail or you may have it sent by email. If you choose to receive the newsletter via email, you would then be able to read it on your computer or read it after printing it. The look of the paper will change in order to ensure ease of printing and reading.

Printing and mailing *The Parish Paper* is costly and time consuming. Emailing the paper will cost the church almost nothing, and once the mailing list is made, it will take Cindy, our secretary almost no time to send it out. The more people switch to email delivery, the more money the congregation will save.

WE NEED TO KNOW YOUR PREFERENCE. Please fill out the form below and either bring it to church and put it in the offering plate, mail it to the church, or drop it off at the church office during Cindy's regular hours, Monday –Friday, 1 PM to 5 PM.
